Thanks! I would provide those comments as your time allows and certainly ask Carolyn if there is a way she can be helpful in the compilation.

Good luck with your webinar. I would like to sit in but will be busy at 2 pm,

Douglas

Will do! I searched on "Crow Butte" in the Word document containing the categorized comments and it occurs 60 times. Most of these occurrences will be under the category "comments about Crow Butte", but others will be incidental mention of Crow Butte under other topics. I will paste the 60 occurrences into a new Word document or spreadsheet.

I have the Cheyenne River Sioux Tribe webinar at 2:00 today, so I will be focusing on that until it is over. I can compile the Crow Butte comments by COB today.

Valois: please forward these comments to Mary and Kurt and copy me. Any ideas for how to efficiently search for these?

Thanks,

Douglas

Hi Douglas,

Yes that is probably still the best option.

Hi Mary: just confirming that we received public comments on Dewey Burdock making reference to the above uranium ISR site. I recall that you wanted to get a copy of these comments, but just wanted to confirm that. If so, we will send them on to you.

Upon your reviewing them, we would like to discuss whether Region 7 would be willing to assist us in responding to them.

Thanks and have a great weekend,
